

# 2018 Lent Soup and Sandwich Schedule

During the Wednesdays of Lent: 6:00 PM Soup/Sandwich,  
7:00 PM Lenten Vespers

People with an asterisk before their names are Council members who will coordinate that week's soup and sandwiches. They will be in touch with members of their group. Each person or couple is asked to bring a large pot of soup or 12 whole sandwiches. The food needs to arrive in the kitchen by 5:45pm so it can be arranged to be served by 6:00pm. If you would like to help but are not on a list, please let the office know so we can include you. If you are listed but cannot assist, please let the office know and the group leader when they call. Thank you.
