

One in Worship

Worship is at the heart of what we do at Shepherd of the Hills. Our desire in worship is not just to sing songs or pray to God. Our desire is to enter into the very life of God as revealed in Jesus Christ. From this Life we seek to live our lives. Our worship is inclusive. You are welcome here and our communion table is open to everyone.

Options for Sunday worship include:

9:00 – 10:00 AM Traditional Service – This is our traditional liturgical service in which we use the Lutheran Book of Worship. We have the Lord's Supper at every service. Our choir sings regularly during the school year. This is our largest service

11:15 – 11:50 AM Casual Service – This is an informal service that is brief but does have scripture, a sermon, the Lord's Supper and a couple of songs.

5:30 – 6:30 PM Taizé Service on the last Sunday of the month – you can find more about this service by clicking on "Taizé Services" on our home page.
